

We are Infinity

Infinity Energy is proud to be one of the only true turn key solar providers in the northeast. We control every part of the process from your initial consultation to installation and beyond without ever subcontracting.

Infinity also has your back when you're looking for more than just solar...

Infinity is proud to be able to offer full scale roofing solutions through our sister company Infinity Roofing. Infinity roofing is a master elite GAF installer and recognized nationally among the top 2% of roofing contractors.

Need electrical work done too? Infinity has you covered! Infinity's electrical division has been servicing the north east for over 20 years handling homeowners residential electric needs using our workforce of master electricians to get the job done right.

Infinity Energy is one of the fastest growing companies in the northern United States with over 8,000 projects completed in the state of New Jersey, New York and Connecticut.
